Concept Area

Improve Connections

Concept Possibilities

GATEWAY PARK

Extend the trail along the eastern bank north from Del Mar and provide a connection under Del Mar Blvd. The land west of Kinneloa Ave. at Brandon St. can be transformed to host parking, restroom facilities, and other park amenities.

PEDESTRIAN BRIDGE

Connect Eaton Blanche Park to Thorndale Rd leading to Wilson Middle School to the east, providing safer crossing for students.

EXPANDED OPEN SPACE

Expand the greenway footprint beyond the Eaton Wash Channel by utilizing the SCE easement.
