Concept Area

Improve Connections

Existing Conditions

Concept Possibilities

GATEWAY PLAZA

Create a gateway plaza with a small bike fix it station, restroom area, a hydration station, and shaded seating.

EDUCATIONAL VALUE

Contribute to the San Dimas Wash Bikeway Phase I, II, and III projects that are in early implementation by building a strong connection to Arrow High School. Create a unique education amenity that could also be used by the public.

NEIGHBORHOOD AMENITY

Establish a neighborhood fitness loop by adding a path on the opposite side of the channel from the San Dimas Wash Bikeway projects that are already providing a connected bikeway along this extent of the wash.
